Application for Senior Services Advisory Board

Additional Information:

I am currently a Case Manager at the Reno Homeless Shelter, and I work with the population of seniors that are the most vulnerable in the community. Over the course of 15 years, I have seen the needs and awareness of seniors decrease and I would like to bring my experience my work experience and be a voice for the vulnerable population and bring my passion of giving to this population and being a voice for them on a community board.
