

JOIN AGE FRIENDLY RENO MONTHLY MEETINGS

LAST THURSDAYS -1:30-3PM

One in three Americans is now 50 or older. Nevada is one of the fastest growing states for elders and **Washoe County is one of the fastest growing counties** for elders in Nevada! (65+ will grow 60% by 2035!)

Help Reno become a more livable community that is safe and secure, has affordable and appropriate **housing and transportation** options, and has **supportive community features and services**.

Once in place, those resources enhance **personal independence**, allow residents to **age in place**; and they foster residents' **engagement** in the communities civic, economic, and social life.

Boomers and Millennials want the same Livable Community features – Age Friendly isn't about "older people" it's about everyone - IT'S ABOUT US. What makes a community great? How do we THRIVE?
