

PETITION TO RENO CITY COUNCIL - Senior Fees

We, the undersigned, ask you not to raise senior recreation fees for 2020-2021. We support maintaining the social and active programs you offer for seniors to keep them healthy and engaged in our community. Many in our age 50+ community are living on low- or fixed- incomes and rely on Reno’s recreation programs to keep them fit and connected to friends. Many will be unable to attend if fees increase. We will bring our ideas to you and work to find a solution to avoid raising senior recreation fees.
