### Please tell us about yourself and why you want to serve.

### Why are you interested in serving on this board/commission?

I have been a community activist for over 20 years. My interest in seniors has always been foremost as we are aging it is important to have advocates that really care about seniors and that is my passion. I teach fitness classes for seniors and I am a senior myself. I feel that I can be a voice for Seniors and carry forth their needs interests and concerns.

**How do you feel you are qualified to serve on this board? Include any past financial experience, as well as serving on other board/commissions.**

I have been president of the Reno Sparks NAACP for over 10 years as being president or vice president. My work experience as a chief union steward for 20 years representing union members in grievances. I am a 2013 graduate of EMERGE Nevada which train women to run for political office so I know how to public speak and market and network myself and for others. I also own a small business in this community and sit on various health boards such as Northern Nevada Hopes, President of Reno Sparks NAACP, board member of Nevada Minority Health and Equity Coalition and Vice President for Nevada Alliance for Retired Americans. My experience as a community advocate and community outreach for unserved people has always been why I am motivated to help people who need a person to speak for their needs.
