Our Major Funding Source: **The Bernard Osher Foundation**

The Bernard Osher Foundation, founded in 1977, is a philanthropic organization headquartered in San Francisco that supports integrative health care and higher education through scholarships and lifelong learning institute endowments at colleges and universities throughout the nation.

- Currently there are **126 Osher Lifelong Learning Institutes (OLLI's)** at colleges and universities throughout the country that have been developed over the past 22 years.
 - We now span all 50 states and DC.
- Every OLLI is funded in part by its endowment from the Bernard Osher Foundation and in part *by its own members through dues and donations.*

OLLI's Good Time Camping Event is Approaching - June 7, 8 & 9!

Put the date on your calendar! The annual campout is held at the nearby Davis Creek Campground Group Site. Plan to camp with us, or come by for the day. This year's event will include all of your old favorites: Potluck dinner (yes, Jim Bonar is deep frying a turkey!), ukulele sing-along (and possible line-dancing!), a roaring campfire, scenic hiking, and informative lectures. A new addition to our "good time" is a presentation by our Outdoors facilitators describing the many opportunities to be found through OLLI.

Details for registration and payment will be coming soon. We hope to see you there!

The OLLI at UNR DIFFERENCE!!

OLLI at UNR Members have access to as many activities, events, programs and lectures as they want. There is no need to commit to six or eight weeks of any particular “course” - OR to pay anything extra for each thing you attend.
