Washoe County Senior Services Advisory Board: Submitted

Please tell us about yourself

Why are you interested in being part of this board, commission, or academy?

I have lived and worked in this community for 25 plus years. My mother passed away in 2017 in Utah and I moved my father here to take care of him. It had been a journey trying to get his needs met. He was living in our condo for 5 years and I support him in every way . I tried all sorts of programs with Washoe County, he was lonely , eating poorly. Even the meals on wheels was not great! I feel I have direct input with seniors needs. I finally put him in an assisted living at Brookdale in Sparks. He is much happier and has found a girlfriend even! Unfortunately, I pay for everything and it's thousands a month! Most people would not have this opportunity.

How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.

I currently serve as a board member for an Utah association in a home owners committee. I have a condo there. I have worked in my own business and manage 20+ employees. My company had a great reputation in northern NV and I know I will be an asset to making strong decisions budgetary, new innovative senior care ideas along with nutrition based projects.
