------------------	----------

Businesses may charge for recycling/disposal services. Please call individual businesses for details.

## Curbside Recycling

If you live in a single residence home in Washoe County, call Waste Management at 329-8822 or visit [truckeemeadowsrecycling.com](http://truckeemeadowsrecycling.com) to find out about curbside recycling in your area.

If you live in an apartment complex in Washoe County, you can take recyclables – **glass, cans, plastic bottles, newspaper, phone books** – to Waste Management Recycle America stations:

- 1100 E. Commercial Row, Reno, and
- 1455 E. Greg St, Sparks.

**These locations also take office paper and cardboard.**

For more information about what can be recycled in other areas, contact the agencies below.

- Incline Village: Waste Not, 832-1284
- Carson City: Waste Management 882-3380
- Fernley: Waste Management 575-4964
- Nevada Recycling hotline 800-597-5865

### Furniture/large appliances

Waste Management accepts one bulky item per household free on certain days. Call 329-8822 for more information

### Paint

Paint can be left out to dry or mixed with cat litter/sand and then thrown in trash. See [ktmb.org/recycle](http://ktmb.org/recycle) for instructions.

### Phone Books

Opt out of any unwanted phone books at [yellowpagesoptout.com](http://yellowpagesoptout.com). Recycle any you already have in your curbside bin or at the Waste Management locations above.

### Plastic Bags

Plastic shopping bags cannot be recycled curbside, but they can be recycled at most grocery stores.

### Prescription Drugs

Year-round drop boxes for expired medications are available at the Reno and Sparks police departments and Washoe County Sheriff's Office.

### Refrigerators

NV Energy offers free refrigerator pickup and will pay \$50 for recycling: 1-877-289-8260.

### Other ideas for unwanted items

Reno Freecycle (Yahoo group), Craigslist free listings, Goodwill and charity thrift stores

### Report illegal dumping!

Illegal dumping costs the community by deterring new business, housing and tourism, and gives nothing back. Disposing of trash and hazardous waste properly – so it doesn't poison our drinking water and wildlife – costs money. Businesses that recycle and dispose of trash employ our friends and neighbors and support the local economy.

· **Report illegal dumping: 329-DUMP.** ·

### Get involved

At KTMB, we're working with your friends, neighbors and employers to make the Truckee Meadows America's most beautiful community.

**All we need is you!**

Visit [ktmb.org/volunteer](http://ktmb.org/volunteer) to sign up for great volunteer events in our community!
