The 800 MHz Joint Operating Committee may consider items on the agenda out of order. The 800 MHz Joint Operating Committee may combine two or more agenda items for consideration. The 800 MHz Joint Operating Committee may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

**Time Limits** – Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three (3) minutes per person. Additionally, public comment specific to the action item of three (3) minutes per person will be heard during individual action items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the 800 MHz Joint Operating Committee meeting. Persons may not allocate unused time to other speakers.

**Forum Restrictions and Orderly Conduct of Business** – The 800 MHz Joint Operating Committee conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

During the Public Comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the 800 MHz Joint Operating Committee. However, responses from 800 MHz Joint Operating Committee to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the 800 MHz Joint Operating Committee will consider, 800 MHz Joint Operating Committee may choose not to respond to public comments, except to correct factual inaccuracies, ask for Washoe County staff action or to ask that a matter be listed on a future 800 MHz Joint Operating Committee meeting agenda. The 800 MHz Joint Operating Committee may do this either during the Public Comment item or during the following item: **“800 MHz JOINT OPERATING COMMITTEE MEMBERS AND/OR STAFF ANNOUNCEMENTS, REQUESTS FOR INFORMATION AND SELECTION OF TOPICS FOR FUTURE AGENDAS [Non-action item].”**
