**Forum Restrictions and Orderly Conduct of Business.** The P25 Radio System Joint Operating Committee conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. Examples of disruptive conduct include, without limitation, yelling, stamping of feet, whistles, applause, heckling, name calling, use of profanity, threatening use of physical force, or any other acts intended to impede the meeting or infringe on the rights of the P25 Radio System Joint Operating Committee, staff, or meeting participants. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

**Responses to Public Comments.** The P25 Radio System Joint Operating Committee can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. The Open Meeting Law does not expressly prohibit responses to public comments by the P25 Radio System Joint Operating Committee. However, responses from P25 Radio System Joint Operating Committee members to unlisted public comment topics could become deliberation on a matter without notice to the public. To avoid this situation and to ensure the public has notice of all matters the P25 Radio System Joint Operating Committee will consider, P25 Radio System Joint Operating Committee members may choose not to respond to public comments, except to correct factual inaccuracies, ask for Washoe County staff action or to ask that a matter be listed on a future P25 Radio System Joint Operating Committee meeting agenda. The P25 Radio System Joint Operating Committee may do this either during
