Consequences

No quorum = Nullification of the committee's function.

No quorum = Disregard of fellow committee members in attendance.

No quorum = Washoe County staff time wasted on drafting and posting agendas. (Technology Services, District Attorney, and Office of the County Manager departments)

No quorum = Tax payer money wasted. Washoe County staff compensation is funded by the tax payers.

Proposed Solutions

Designate committee members able to commit to the serving on the committee.

Per the Interlocal agreement, agencies can add and remove User Committee members at their discretion.

Committee members in the same jurisdiction/agency communicate with one another when one cannot attend a meeting.

Review 2027 meeting dates – posted on the [Committee website](#).
Calendar invites have been sent to committee members. **2027 meetings are: March 18, June 17, and September 16.**
