

M7300 (XG-75M 2-CAN) TRADE-IN PROGRAM RADIO PURCHASES / CONTRACTUAL COMMITMENT XL SERIES FAMILY

September 17, 2020

Jayne Leighton, Director Strategic Initiatives

M7300 (XG-75M 2-CAN) TRADE-IN PROGRAM

Slide Mountain

Reason for trade-in program

- M7300 / XG-75M 2-CAN aged product
- Radios have been replaced with XG-75M 1-CAN
- Aged radios may encounter noise issues
- Noise not as noticeable on EDACS
- Noise issues will become more prevalent on P25 system

Option 1 - \$750

• **Replace existing M7300 / XG-75M 2-CAN with XG-75M 1-CAN w/ these features:**

- EDACS
- P25 Conventional
- P25 Trunking
- TDMA
- P25 OTAR
- Multi-Key AES
- ProVoice
- Profile (OTAP)
- LLA

- If M7300 / XG-75M 2-CAN includes GPS SW replacement XG-75M 1-CAN mobile will include GPS SW at no additional cost
- If GPS feature is to be added to replacement XG-75M 1-CAN mobile, user must pay \$373.50 for these items:

GPS Upgrade					
Item	Part Number	Description	Qty	Unit List	Unit Sale (@ 55% off list)
100	MAMW-NMK5F	GPS Option	1	\$525.00	\$236.25
110	MW-PL8N	FEATURE, IN-BAND GPS	1	\$150.00	\$67.50
120	MAMW-NAN5F	ANTENNA, GPS, ROOF MOUNT	1	\$155.00	\$69.75

User is responsible for de-installation and return of M7300 / XG-75M to L3H Reno office within 30 days of receipt of replacement radio. User will be invoiced an additional \$780.39 for radios not returned. Installation is available for an additional \$450, per Washoe County contract. Installation efforts assume the re-use of existing wiring and antennas. Per Washoe County Contract, an additional fee of \$31.90 will be charged per radio to cover the cost of radio programming for P25 usage prior to P25 cutover. Radios purchased under this promotion will count towards the Washoe County contractual commitment and will have a 2-year warranty. Payment terms for this promotion is net 90 days ARO. This promotion cannot be combined with any other offer and is valid through June 30, 2021.

Option 2 - \$500 incentive off purchase of XL-185M

- **\$500 off XL-185M Public Safety configuration \$2,337.98, includes these features:**

- EDACS
- P25 Conventional
- P25 Trunking
- TDMA
- P25 OTAR
- Multi-Key AES
- ProVoice
- Profile (OTAP)
- LLA
- In-band GPS

User is responsible for de-installation and return of M7300 / XG-75M to L3H Reno office within 30 days of receipt of replacement XL-185M radio. User will be invoiced \$500 for radios not returned. Installation is available for an additional \$450, per Washoe County contract. Per Washoe County Contract, an additional fee of \$31.90 will be charged per radio to cover the cost of radio programming for P25 usage prior to P25 cutover. Radios purchased under this promotion will count towards the Washoe County contractual commitment and will have a 2-year warranty. Payment terms for this promotion is net 90 days ARO. This promotion cannot be combined with any other offer and is valid through June 30, 2021.

- Adheres to P25 standards for LMR interoperability
- Built-in Wi-Fi®, Bluetooth® and GPS

SECURE, END-TO-END VOICE AND DATA ENCRYPTION

LOUD AND CLEAR AUDIO OVER P25 AND LTE WITH ADVANCED NOISE CANCELLATION

RUGGEDIZED TO MEET STRINGENT MIL-SPEC STANDARDS

INTUITIVE AND EASY-TO-USE

EXISTING XL-185P AND XL-200P PORTABLES ARE FIELD-UPGRADEABLE TO FirstNet®

Single-band XL-150P

Single-band XL-185P

Multiband XL-200P

New Lower Cost Converged XL-150P

Future-ready, Featured-packed

- High performance single band VHF, UHF, 7/800 MHz
- NO EDACS
- Analog Conventional
- P25 Conventional
- P25 Trunked – Phase 1 and Phase 2
- Single Key AES and DES
- Encryption Lite
- Over the Air Programming (OTAP)
- Wi-Fi
- Bluetooth
- In-Band GPS
- Global Modem (factory only)
- FirstNet Ready, Verizon Certified LTE Capable

To be added
to WC contract

XL-150P Pre-packaged hardware

The XL-150P Radio: A lower cost single band, packaged portable

Future-ready, Hardware Package

- Radio
- Battery (3100 mAh)
- Single bay charger
- Belt Clip
- Antenna

One Tough Radio – Exceeds MIL-810G

- Black Full Keypad only
- NRB and US version available
- Rugged construction with I-beam metal frame
- IP-54 not immersible
- Outer casing impervious to chemicals

XL-185P Single-band Radio

Future-ready, Featured-packed

- High performance single band VHF, UHF, 7/800 MHz
