**Possible Changes to Agenda and Timing.** The 800 MHz Users Committee may consider items on the agenda out of order, may combine two or more agenda items for consideration, may remove an item from the agenda, or may delay discussion of an item on the agenda at any time. Items scheduled to be heard at a specific time will be heard no earlier than the stated time but may be heard later.

**Public Comment.** Public comments are welcomed during the Public Comment periods at the beginning and end of the meeting for all matters, whether listed on the agenda or not. Public comments are limited to three (3) minutes per person per comment period. Persons may not allocate unused time to other speakers. **Forum Restrictions and Orderly Conduct of Business.** The 800 MHz Users Committee conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient, or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place, and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

**Responses to Public Comments.** The 800 MHz Users Committee can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. The Open Meeting Law does not expressly prohibit responses to public comments by the 800 MHz Users Committee. However, responses from Committee members to unlisted public comment topics could become deliberation on a matter without notice to the public. To avoid this situation and to ensure the public has notice of all matters the 800 MHz Users Committee will consider, members may choose not to respond to public comments, except to correct factual inaccuracies, ask for Washoe County staff action, or to ask that a matter be listed on a future 800 MHz Users Committee meeting agenda. The 800 MHz Users Committee may do this during the following item: **"800 MHZ USERS COMMITTEE MEMBER AND/OR STAFF ANNOUNCEMENTS, REQUESTS FOR INFORMATION AND SELECTION OF TOPICS FOR FUTURE AGENDAS [Non-Action Item]."**

**Special Accommodations.** We are pleased to make reasonable accommodations for members of the public with disabilities or those who require special accommodations or assistance (e.g., sign language, interpreters or assisted listening devices).
