Possible Changes to the Agenda and Timing. The P25 Technical Advisory Committee may consider items on the agenda out of order, may combine two or more agenda items for consideration, may remove an item from the agenda, or may delay discussion of an item on the agenda at any time.

Public Comment. Public comments are welcomed during the public comment periods at the beginning and end of the meeting for all matters, whether listed on the agenda or not. Additionally, public comment specific to the action item being considered will be heard during individual action items on the agenda. Public comments are limited to three (3) minutes per person per comment period. Persons may not allocate unused time to other speakers. Please note that USB drives or any other digital media provided by the public will not be accepted due to the risk of introducing viruses or malicious code, which could potentially compromise the County's systems.

Additionally, persons are invited to submit public comments in writing by emailing Sharon Neville at sneville@washoecounty.gov. The County will make reasonable efforts to send all email comments received by 4:00 p.m. the business day before the meeting, to the Committee members prior to the meeting.

Forum Restrictions and Orderly Conduct of Business. The P25 Technical Advisory Committee conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Responses to Public Comments. The P25 Technical Advisory Committee can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. The Open Meeting Law does not expressly prohibit responses to public comments by the P25 Technical Advisory Committee. However, responses from P25 Technical Advisory Committee members to unlisted public comment topics could become deliberation on a matter without notice to the public. To avoid this situation and to ensure the public has notice of all matters the P25 Technical Advisory Committee will consider, members may choose not to respond to public comments, except to correct factual inaccuracies, ask for Washoe County staff action, or to ask that a matter be listed on a future P25 Technical Advisory Committee meeting agenda. The P25 Technical Advisory Committee may do this either during the Public Comment item or during the following item: "**P25 TECHNICAL ADVISORY COMMITTEE MEMBER AND/OR STAFF ANNOUNCEMENTS, REQUESTS FOR INFORMATION AND SELECTION OF TOPICS FOR FUTURE AGENDAS** [Non-Action Item]."

Special Accommodations. We are pleased to make reasonable accommodations for members of the public with disabilities or those who require special accommodations or assistance (e.g., sign language, interpreters or assisted listening devices). Should you require special assistance or an accommodation at the meeting, please notify Washoe County Technology Services, Sharon Neville (sneville@washoecounty.gov, 775-858-5901) or Sara DeLozier (sdelozier@washoecounty.gov, 775-328-2350), at least 48 hours before the meeting.
