SUBJECT: REQUEST REIMBURSEMENT FOR FUNDING REDACTION ASSISTANT SOFTWARE FOR BODY WORN CAMERA VIDEO EDITING. [for possible action] - A review, discussion and possible action to approve, deny or otherwise modify a request for funding for additional body worn cameras and licenses for field deployment not to exceed the total amount of \$71,280 over 2 fiscal years.

SUMMARY

The 79th Nevada Legislature passed Senate Bill 176 (SB 176), which requires uniformed peace officers employed by a law enforcement agency and who routinely interacts with the public to wear a body worn camera device effective July 1, 2018. SB 176 expanded the permissible use of the county's 911 telephone line surcharge fund to include the purchase and maintenance of body worn cameras.

Over the past 2 ½ years of using the body worn cameras the Reno Police Department has seen a dramatic increase in public records requests for body worn camera footage. With the increased requests has come an increase in manpower and time required to edit these videos before release. Axon has continued to improve their redaction software and now has a redaction assistant suite which increases the accuracy of the redaction capabilities, decreasing the time need for each video. While this will assist in reducing the time needed for each video, we anticipate a continued increase in public records request for body worn camera footage. The quoted amount is \$32,400 for this fiscal year, which is pro-rated for calendar year 2021, and \$38,880 next fiscal year. The total estimated expenditure is \$71,280.

NRS APPLICABLE:

NRS 244A.7643 and NRS 244A.7645 Provides approval of costs associated use of the county's 911 telephone line surcharge fund for costs of software for the retention and redaction of audio and video events recorded on portable event recording devices and vehicular event recording devices.

STAKEHOLDER REVIEW(s)

Stakeholders are the City of Reno, the Reno Police Department and the community in general.

PREVIOUS ACTION & BACKGROUND

On January 16, 2018, the BCC adopted the policy of the Use of 911 Surcharge Funds for the Body Camera Mandate set forth in Nevada Senate Bill 176.

On January 18, 2018, the Washoe County 911 Emergency Response Advisory Committee adopted the Five Year Master Plan Update, prepared by the Galena Group Incorporated.

On February 20, 2018, the BCC adopted the Washoe County Regional 911 Emergency Response Advisory Committee Five Year Master Plan Update, prepared by the Galena Group Incorporated, as recommended by the 911 Emergency Response Advisory Committee.

FISCAL IMPACT

The Enhanced 911 Fund is a special revenue fund which receives revenue pursuant to NRS 244A.7643 in the form of telephone surcharges collected to support the emergency reporting system and the funding of body worn cameras for uniformed peace officers employed by a law enforcement agency who routinely interact with the public. Budget authority exists within the E911 Fund to reimburse the City of Reno for the expense.

The City of Reno will pay the expense of the redaction assistant software, and is requesting the Washoe County 911 Emergency Response Advisory Committee recommend to the Board of County Commissioners to approve reimbursement to the agency up to \$71,280.00.

RECOMMENDATION

It is recommended that the E911 Emergency Response Advisory Committee approve the request to recommend to the Board of County Commissioners to approve reimbursement to the City of Reno up to \$71,280.00 for redaction assistant software.

POSSIBLE MOTION

Move to approve that the E911 Emergency Response Advisory Committee approve the request for reimbursement to the City of Reno up to \$71,280.00 for redaction assistant software.
