PREVIOUS ACTION BACKGROUND

In the E911 Emergency Response Advisory board meeting July 18, 2019, the Board approved funding to reimburse the County for same/like classes. Additionally, at the May E-911 meeting granted the City of Reno reimbursement for EFD training.

Additionally, the International Academy of Emergency Dispatching requires the applicant must also be CPR-certified through the National Safety Council, American Heart Association, American Red Cross, European Resuscitation Council, or equivalent to be EMD-certified. The Enhanced 911 Fund is a special revenue fund which receives revenue pursuant to NRS 244A.7643 in the form of telephone surcharges collected to support the emergency reporting system. Budget authority exists within the E911 Fund to the travel and training to the public safety training conferences for registrations, seminars and meetings.

Yes, the cost for not meeting the course minimum will be \$1,000.

The cost per individual is \$365, so if you were to have 4 registrants, you would be looking at about \$1,460.
