D. Presentation, discussion, and possible direction to approve or recommend changes:

1. To the estimated FY18-19 Budget Recommendations for Accela Automation, Mobile and Citizen Access Annual Subscription fees not to exceed: \$460,000 (current FY17-18 subscription fees total was \$354,670.32); apportioned per participating agency as follows: Douglas County not to exceed \$43,000, Washoe County Health District not to exceed \$71,000, City of Reno not to exceed \$147,000, City of Sparks not to exceed \$84,000, and Washoe County not to exceed \$115,000. (For Possible Action)

Lori Piccinini, Washoe County, reviewed the revised estimates noting the increase in the cost estimates was largely due to the increase in overall licenses and the addition of a 3% contingency to allow for any necessary license increase that may occur before payment is due July 1, 2018. Bill Thomas, City of Reno, requested consideration that future subscriptions amounts be agendized for the gross amount due rather than by entity.

Proposed Motion: Approve as agendized, \$460,000
Motion: Bill Thomas
Second: Kevin Dick
Ayes: [Unanimous]
