# Poll Worker Newsletter – Volume 14

## A Big Thank You to our Poll Workers

On behalf of everyone at the Registrar's Office, I want to thank all of you for an amazing job during Early Voting and on Election Day.

The feedback from voters was extremely positive, from the quick check in process, to voting on the ICX Prime, to the wonderful way voters were treated by our Poll Workers.

The 2018 Primary was certainly filled with its share of challenges, but all of you stepped up and made it a great experience for the voters of our community.  All of us at the Registrar of Voter's Office appreciate the incredible amount  of hard work, time and energy that you put into being our front line polling place volunteers.

Thank you everyone for doing such a great job!

## Have You Returned Your Poll Worker Survey?

We are diligently reviewing the post-election Poll Worker Surveys submitted to our office. If you have not yet completed and returned your Poll Worker Survey, please do so.

Getting your feedback is important to us. It is not too late to let us know about your experience during the Primary and how you feel we can improve going into the General.

## 2018 General Poll Worker Recruitment Efforts

We will soon be sending an email or letter asking if you want to volunteer to work the upcoming November election.

Once again, you will be expected to attend In-Person training, along with completing the online training. In-Person training will be held in October.

## Poll Worker Training Classes

With so much new information that needs to be learned and the request for more hands on training, it has been decided to have separate training classes for Intake Specialists/Early Voting Associates and Managers/Assistant Managers.

We will also increase the number of Poll Books available for use during training so that everyone has a chance to learn and practice various scenarios until they feel comfortable with the process.

The on-line training and poll worker manuals will be going through some adjustments as well based on your comments and our experience from the Primary Election, so keep those suggestions coming in.
